2 Please see letter no. R3-306-1241/60-61 dt 27-10-60 from the CCF in the matter.

3 The applicant Sri. Krishnappa Vittalappa Magaji of Bagalkot had applied for land in F.S. no. 504 of Shirur for cultivation.

4 The enquiry made by the local forest officers revealed that the land asked for falls in the reserved forest (unorganised S.no. 504 of Shirur), contains no tree growth, is situated by the side of the road in a patch, as revealed by the sketch, being surrounded by cultivation and is away from the forest block on the other side being a intercepted in between by the Bagalkot Saagaon Road. Further, grant of this patch of land will not render the forest boundary awkward and the grazing position of the village is satisfactory (area available for grazing is 4220 acres and 21 guntas as against 2926 cattle head. It may be stated here that the ratio should be according to the standard fixed by the Rs. i.e. 100 acres for 33 cattle head).
